Step into the Archer, a beautifully designed 4-bedroom, 3-bathroom home offering 2,533 square feet of flexible living space. With the owner's suite and a secondary bedroom conveniently located downstairs, this layout is perfect for guests, multigenerational living or a private home office. Two additional bedrooms upstairs are complemented by a spacious game room that opens to the floor below, creating an airy, connected feel throughout the home.

The open-concept living, dining and kitchen areas make everyday life and entertaining effortless. The kitchen features a well-planned layout with a large pantry and breakfast area ideal for gathering. The owner's suite is a true retreat, complete with a generous walk-in closet and an option to add expanded shower or freestanding tub.
