This home proves that style and function work hand in hand. The open living and dining areas seamlessly flow into the kitchen. The owner's suite is generously sized and features an ensuite bathroom, providing a private retreat within the home. Upstairs, you'll find a game room, offering an additional space for recreation and relaxation, along with three more bedrooms for family members or guests. To enhance your outdoor living experience, consider adding a covered back patio, providing a comfortable and shaded area away from the summer sun. Photos are representative.
